6. Full dining room capacity is 30 people at each seating.
7. Meal Delivery will change on **Friday and Saturdays to between 5:30pm and 6:00pm.** All other nights through the week will have the three delivery times, 5:00, 5:30, and 6:00pm.
8. There will be No guests or visitors in the Chart Dining Room at this time.
9. All diners must enter through the front entrance to be screened prior to coming to the dining room. Any resident screened during the day and has a Screening Card may proceed directly to the Chart dining room.
10. All residents must wear face masks through the entire building and in the Chart Dining area until seated.
11. There will be a small brown paper bag on the table for masks while eating so that they stay protected. We are also providing hand sanitizer on each table for our patrons.
12. The patio access door will not be used during meal times.
13. Please refrain from congregating at the door, in the lobby, or in the bistro. We still must maintain the social distancing requirements. Dining staff will assist in making sure the flow of traffic is acceptable.
14. There will be one entrance and one exit into and out of the Chart Dining room.
15. The hostess will immediately begin seating guests as they arrive to the hostess station.
16. Once seated the dining staff /hostess/management will take beverage orders and dinner orders at 4:45pm and 6:15pm.
17. We ask that you please refrain from moving tables and chairs from their original positions so that we can insure the mandated 6 foot distancing.
18. All residents must don their masks if leaving the table for any reason.
19. Once residents are finished eating or if they need to visit the restroom they must don their masks before leaving the table.
20. We will not provide "to go" containers at this time.

REMINDER!!!!

***If anyone is not feeling well, please refrain from coming to the Chart Dining Room for dinner**
